Attention:

25X1

Subject : Contract No. [redacted]
Special Tooling for [redacted]

25X1
25X1

Gentlemen:

You are advised that a [redacted] representative and a representative of [redacted] will visit your plant soon to examine subject tooling for the purpose of determining its condition and suitability for use under a [redacted] contract with [redacted]

25X1
25X1
25X1
25X1

You are requested to make available the tooling and a copy of the tooling inventory for their inspection. In the event that the representatives decide to transfer the tooling to the [redacted] they will issue instructions concerning pick up and/or packing and shipping.

25X1

It is further requested that you make reference to the designation [redacted] rather than [redacted] in conversation with these representatives and that you do not disclose the number of items produced under subject contract.

25X1

Your cooperation in this matter will be very much appreciated.

Distribution:

Very truly yours,

Orig - Addressee
